

Single Equality Scheme

Updated September 2018

North Rigton CE School

Introduction

This Single Equality Scheme for schools in North Yorkshire has been produced by North Yorkshire County Council and has been adopted, in full, by Yorkshire Causeway Schools Trust as it provides a format for addressing the statutory duties of the Equality Act 2010 and The Children and Families Act 2014. This supersedes and brings together all previous statutory duties in relation to race, gender and disability and also addresses the duty to promote community cohesion, thus meeting the school's statutory duties in these areas.

In this document any references to YCST and school are inter-changeable and equally relevant.

The scheme also highlights how our school has worked with and listened to the staff, pupils, parents and carers to inform development of action plans and the need and commitment required to ensure the scheme is a success. This is underpinned by a commitment to promoting positive relationships and understanding between all groups within our school community.

This document sets out how pupils with the following protected characteristics will be protected in our school from harassment and discrimination:-

- disability.
- gender.
- race.
- religion and belief.

- sexual orientation.
- gender reassignment.
- pregnancy and maternity.

The law on disability discrimination is different from the rest of the Equalities Act in a number of ways. In particular, it works in only one direction – that is to say, it protects disabled people but not people who are not disabled. This means that schools are allowed to treat disabled pupils more favourably than non-disabled pupils, and in some cases are required to do so, by making reasonable adjustments to put them on a more level footing with pupils without disabilities. The definition of what constitutes discrimination is more complex. Provision for disabled pupils is closely connected with the regime for children with special educational needs. Chapter 4 of the Act deals in detail with disability issues.

This scheme extends however to cover all aspects of vulnerability, including those associated with socio-economic factors (e.g. pupils from low income families).

As well as delivering high quality services to our pupils, the school is also committed to being a good employer and as such this scheme outlines how we meet our varied duties in terms of recruitment and employment practices. We are also committed to be fully inclusive of all community users, including parents and carers. As such, this scheme therefore also sets out how we will work to overcome any discrimination related to the other protected characteristics:-

- Age*
- Being married or in a civil partnership

*A person's age is also a protected characteristic in relation to employment and the Act extends this (except for children) to the provision of goods and services, but age as a protected characteristic does not apply to pupils in schools. Schools therefore remain free to admit and organise children in age groups and to treat pupils in ways appropriate to their age and stage of development without risk of legal challenge, even in the case of pupils over the age of 18.

The impact of this scheme is reported on annually.

Aims of the Single Equality Scheme

- To articulate the school's commitment to equality which permeates all school policies and practices
- To ensure that everyone who belongs to, or comes into contact with, our school community is valued and respected
- To promote equality of opportunity and eliminate unlawful discrimination, harassment or victimisation
- To comply with statutory duties under equalities legislation in one document

Purpose of the Equality Scheme

This equality scheme is the school's response to the specific and general duties in the current equality legislation, which has been brought together under the Equality Act 2010

(See appendix 1). It is an attempt to capture how the school is systematically establishing and implementing good practice in equality and diversity across all areas of school life. This includes a response to all aspects of social identity and diversity.

This Equality Scheme sets out how the school will:

- eliminate discrimination;
- eliminate harassment or victimisation related to any aspect of social identity or diversity;
- promote equality of opportunity;
- promote positive attitudes to all aspects of social identity and diversity;
- encourage participation by disabled people and people representing different aspects of social identity in public life;
- take steps to take account of difference even where that involves treating some people more favourably than others;
- take proportionate action to address the disadvantage faced by particular groups of pupils.

Planning to eliminate discrimination and promote equality of opportunity

This scheme is underpinned by the core belief that all children and young people belong to their local community and share the same rights to membership of that community and a quality education. We set equality objectives with associated actions which are outlined within our equalities action plan that accompanies this Equality Scheme. Our plan identifies what we will be doing over the coming year to make our school more accessible to the whole community, irrespective of background or need. (See appendix 2).

It encompasses our duties to promote positive outcomes in relation to race, gender and disability, but also identifies actions to address other social identities. It encompasses our **anticipatory duties to plan ahead for the reasonable adjustments** (reasonable and proportionate steps to overcome barriers that may impede some pupils) we need to make to be best placed to help disabled pupils who come to our school.

This action plan replaces the school's Disability Accessibility Plan for the school (previously required under the planning duties in the Disability Discrimination Act) as it sets out how the school will increase access to education for disabled pupils, alongside other protected groups, in the three areas required:

- increasing the extent to which disabled pupils can participate in the school curriculum;
- improving the physical environment of the school to enable disabled pupils to take better advantage of education, benefits, facilities and services provided
- improving the availability of accessible information to disabled pupils.

The action plan is renewed annually and progress towards the equality objectives within it is reported on regularly to governors, and this information is published at least annually. Equality objectives have been identified through consultation with key stakeholders. Our equality objectives are published at least once every four years.

This action plan is understood and implemented by all staff and is available on the school website. It is available in different formats and in different languages on request to the school office.

Our school has regard to the need to provide adequate resources for implementing plans and must regularly review them. (NB An accessibility plan may be a freestanding document but may also be published as part of another document such as the school development plan.)

Our school records all prejudice based and hate incidents and reports them to the Trust, in line with the guidance, which can be found at: <http://cyps.northyorks.gov.uk/equalities-and-diversity>. Pupils and staff are encouraged to report incidents and the school responds effectively, aiming to eliminate all forms of discrimination and prejudiced based incidents.

What kind of a school are we?

School Vision and Values

The school's vision and values statement reflects the school's ambitions for all its pupils and have been developed with the whole community. It refers to the key requirements set out in the National Curriculum Inclusion Statement

<https://www.gov.uk/government/publications/national-curriculum-in-england-framework-for-key-stages-1-to-4/the-national-curriculum-in-england-framework-for-key-stages-1-to-4> for developing an inclusive curriculum: setting suitable learning challenges; responding to pupils' diverse learning needs; overcoming potential barriers to learning and assessment, for individuals and groups of pupils.

The school is committed to addressing any actions which are identified to improve our inclusive practice.

School Context

The nature of the school population and context to inform action planning for the equality scheme

Factors of the geographical location of the school:-

The school serves a rural community on the edge of Harrogate. The socio economic background of the pupils varies, but overall is well above average.

% minority ethnic – 2.9% from ethnic minorities/mixed race

% religions and belief – predominately Christian;

% languages spoken – Languages spoken include English and Polish

% Free School Meals (FSM)- 2.9% (eligibility and uptake)

% Special Educational needs (SEN) – 12.5%

% Disabled – 2.9%

% gender – 59.6% Female, 40.4% Male

The turnover of pupils and staff is low.

The population of disabled pupils and staff at the school (using the breadth of the DDA definition of disability: "A disabled person (child or adult) is someone who has a physical or mental impairment, which has a substantial and long term adverse effect on his or her ability to carry out normal day-to-day activities")

The school is accessible from one entrance close to the main road. The building is on 2 levels with one classroom, staffroom, learning pod and school office on the first floor. One playground is only accessible by steps. The field is accessible via a gate crossing a public footpath.

School provision

Examples of reasonable adjustments the school makes as a matter of course

From September 2012 schools and local authorities have a duty to supply auxiliary aids and services as reasonable adjustments where these are not being supplied through Special Educational Needs (SEN) statements or from other sources. Additional high needs funding may be available on application to the local authority.

- Information is given to parents/carers during termly reviews and parents teacher consultations
- Work has been undertaken with the EMS for Specific Learning difficulties and EMS for Communication and Interaction to ensure classrooms are communication and dyslexia friendly.
- The behaviour policy is differentiated according to the needs for the children. Where necessary

advice and support from the EMS for emotional and behavioural is sought.

- Children with SEN provided with personal ipads if appropriate
- Reasonable adjustments (eg movement breaks for children with autism) incorporated into lesson plans
- Individual provision maps are created to meet the needs of the child (e.g. dyslexia, behaviour, autism, EAL, speech and language). These are shared with children, parents and all staff and are reviewed on a termly basis.
- As appropriate, children are involved in target setting
- Children on the SEN register have inclusion passports as appropriate. These are drawn up with the involvement of all staff, SENCO, outside agencies and the parents/carers. Children are also involved in drawing up a child friendly inclusion passport.

Outcomes for pupils

Outcomes for pupils are analysed against social identity issues, i.e. gender, ethnicity, disability, faith background, and aspects of vulnerability identified by the school. This is compared with the outcomes made for all pupils.

These processes form part of the school's equality impact assessment to determine the impact of our provision on improving outcomes for identified pupils. In line with statutory requirements all new policies as well as existing policies and functions are evaluated for the impact they have, in consultation with identified pupils and parents/carers.

- 3 year average KS1 results above national averages with at least good and some outstanding progress.
- 3 year average attainment at the end of KS2 at national average. Children with SEND and disadvantaged children all made good progress.
- During pupil interviews and questionnaires all children say that they feel safe in school and that any incidents of inappropriate behaviour are dealt with
- Parents work with the school to ensure behaviour is a priority.
- Children are encouraged to adopt a healthy lifestyle. Afternoon free fruit for FS/KS1 ensure children eat healthy snacks whilst at school. All children are encouraged to bring a healthy snack for morning playtime. Fresh water is available to the children throughout the day.
- School ensures that the children undertake an additional 30 minutes of exercise in school per day and are encouraged to undertake 30 minutes at home.
- Children are encouraged to contribute to the school and wider community. All children have opportunities to take on different responsibilities in school and in church.
- All children participate in school visits and residential trips.

- Attendance for all groups of children is good.
- The school effectively engages with all parents and carers.
- Parents of children with an EHCP have termly meetings with school staff, SENCO and outside agencies.

Equalities objectives

Our Equalities Objectives, based on needs analysis, for the period 2018-2022 are:

Objectives:

- to increase understanding of different socio-economic groups;
- to increase understanding of different religious groups and races;
- to encourage girls to consider non-stereotyped career options;
- to increase understanding of the prejudices LGBTQ+ individuals may encounter and promote tolerance for all.
- To make the school entrance wheelchair accessible by repositioning the school office

We have identified these objectives because:

The majority of our children come from a less diverse background and have limited opportunities to meet individuals from different cultures, races, religions and social-economic groups.

The school office is currently inaccessible to wheel chair users

Indicators of progress towards the objectives are reviewed annually and recoded in the action plan (see appendix 2)

Involvement Processes

Policies are vital to identify and consolidate thinking regarding appropriate provision for pupils, however, they are often viewed as an end, when they should be seen as a process - always evolving in response to changes and evidence from impact assessments. When developing this Equality Scheme and the equalities objectives, the school is clear that this is a process which must be informed by the involvement of all participants such as pupils, parents, school staff, governors and external agencies. This will ensure that the school gleans insights into the barriers faced by people from different social identity backgrounds and learns the best ways to overcome such barriers. This Scheme and equalities objectives will be informed, therefore, by:

- the views and aspirations of pupils themselves from different social identity backgrounds;
- the views and aspirations of parents of pupils from different social identity backgrounds;
- the views and aspirations of staff from different social identity backgrounds;
- the views and aspirations of members of the community and other agencies, including voluntary organisations, representing different social identity backgrounds;
- the priorities in the North Yorkshire Children and Young People's Plan.

Mechanisms for involvement

At this school the following mechanisms will ensure the views of **pupils** inform the equality objectives and action plan:

- Exit interviews with pupils;
- School council;
- Individual interviews with pupils involved in incidents of a discriminatory nature;
- Individual interviews with pupils experiencing reasonable adjustments;

At this school the following mechanisms will ensure the views of **staff** inform the Equality Scheme, objectives and action plan:

- Exit interviews with staff;

- Regular staff meetings with specific agenda items;
- Individual discussions with staff as a part of performance management
- Staff survey.

At this school the following mechanisms will ensure the views of **parents and the community** inform the Equality Scheme, objectives and action plan:

- Welcoming parents and the community into school so that they are critical drivers in policy development.
- Feedback through the Governing Body meetings;
- Feedback through the PTA meetings;
- Parent surveys
- Open discussions during bi-annual parents evenings

The school's action plan will focus on developing the involvement of pupils, staff and parents from different social identity backgrounds over the four years (maximum) of this Scheme and the equalities objectives. We will consider varying the times, methods and the venues for this involvement to ensure the best possible attendance and ensure views can be heard. This way the school will learn what works and the involvement of pupils, staff and parents will improve and deepen over time.

Making it happen

Action Planning

Although it is no longer a requirement for schools to have an equality action plan, those schools which do already have one (or more) of these in place, may find it helpful to continue with this approach and adapt it to take into account the extent of the duty. (5.27 DfE Equalities Guidance May 2014)

This scheme is supported by an action plan, the progress of which is monitored and evaluated by the Governing Body.

The action plan that identifies the equality objectives for the school arising from this scheme and the impact assessment (schools could use the Inclusion Quality Mark) has:

- clear allocation of responsibility;
- clear allocation of resources, human and financial;
- clear timescales;
- expected outcomes and performance criteria;
- specified dates for review;

The effectiveness of this Scheme and progress with the equalities objectives will be evaluated and reflected in:

- school self-evaluation;
- pupil progress, outcomes and engagement,
- feedback e.g. Parentview, pupil voice

Reporting

This Scheme and equalities objectives will be reported on annually. Progress against the action plan will be evaluated and the impact of the action and activities assessed. Copies will be displayed on the school website and it will be referenced in the school's prospectus.

Publication

Equalities objectives will be published and available to anyone requesting a copy. Copies will be displayed on the school website and it will be referenced in the school's prospectus.

Information is published demonstrating how the school is complying with the Public Sector Equality Duty and the school's equality objectives. The school updates its published information at least annually and publishes the equality objectives at least every four years.

It will be up to schools themselves to decide in what format they publish equality information. For most schools, the simplest approach may be to set up an equalities page on their website where all this information is present or links to it are available. The regulations are not prescriptive and it will be entirely up to schools to decide how they publish the information, so long as it is accessible to those members of the school community and the public who want to see it. (5.25 DfE Equalities Guidance May 2014)

Schools' duties around accessibility for disabled pupils

4.28 Schools and LAs need to carry out accessibility planning for disabled pupils. These are the same duties as previously existed under the DDA and have been replicated in the Equality Act 2010.

4.29 Schools must implement accessibility plans which are aimed at:

- increasing the extent to which disabled pupils can participate in the curriculum;*
- improving the physical environment of schools to enable disabled pupils to take better advantage of education, benefits, facilities and services provided; and*
- improving the availability of accessible information to disabled pupils.*

4.30 Schools will also need to have regard to the need to provide adequate resources for implementing plans and must regularly review them. An accessibility plan may be a freestanding document but may also be published as part of another document such as the school development plan.

4.31 OFSTED inspections may include a school's accessibility plan as part of their review

This document relates to The Equality Act 2010 and schools: Departmental advice for school leaders, school staff, governing bodies and local authorities May 2014, updated June 2018 DfE

<https://www.gov.uk/government/publications/equality-act-2010-advice-for-schools>

This is for:

- school leaders
- school staff
- governing bodies

It applies to:

- local-authority-maintained schools
- academies and free schools
- local authorities
- non-maintained special schools
- independent schools

5.16 Under specific duties set out in previous equality legislation, schools were required to produce equality schemes in relation to race, disability and gender. Under the specific duties there are no requirements to create equality schemes. But schools may choose to continue producing such a scheme, if it helps them to comply with the Equality Duty, and they can expand it to cover the additional protected characteristics

Appendix 1: Equality Legislation and Guidance

This equality scheme responds to the current equalities legislation.

- The Equality Act 2010 is the overarching legislation for all equality duties.

The act serves two main purposes:

- a) To harmonise discrimination law;
- b) To strengthen the law to support progress on equality.

The act supersedes or strengthens the following acts and regulations:

- The Equal Pay Act 1970
- The Sex Discrimination Act 1975
- The Race Relations Act 1976
- The Disability Discrimination Act 1995
- The Employment Equality (Religion & Belief and Sexual Orientation) Regulations 2003
- The Employment Equality (Age) Regulations 2006
- The Equality Act 2006 Part 2
- The Equality Act (Sexual Orientation) Regulations 2007
- The SEN Code of Practice 2001

Overview of previous equalities legislation which has been harmonised and strengthened by Equality Act 2010:

- Race Relations Act (RRA) 1976/2000
statutory positive duty to promote racial equality, promote good race relations and eliminate unlawful racial discrimination;
- Sex Discrimination Act (SDA) 1975 (and Regulations 1999), Gender Equality Duty 2007
statutory positive duty to promote gender equality and eliminate unlawful gender discrimination;
- Employment Equality (religion or belief) (sexual orientation) Regulations 2003 extended to education, Equality Act (Part 2) 2007
The Act sets out that it is unlawful for schools to discriminate against a person:
 - a) in the terms on which it offers to admit him/her as a pupil;
 - b) by refusing to accept an application to admit him/her as a pupil, or
 - c) where he/she is a pupil of the establishment:
 - i) in the way in which it affords him/her access to any benefit, facility or service,
 - ii) by refusing him/her access to a benefit, facility or service,
 - iii) by excluding him/her from the establishment,
 - iv) by subjecting him/her to any other detriment.

- Disability Discrimination Act (DDA) 1995/2005
statutory positive duty to promote equality of opportunity for disabled people: pupils, staff, parents, carers and other people who use the school or may wish to, and eliminate unlawful discrimination;
- Education and Inspections Act 2006, duty to promote community cohesion. By 'community cohesion' the school is endorsing and adopting the definition provided by Alan Johnson, 2006, as:
"working towards a society in which there is a common vision and sense of belonging by all communities; a society in which the diversity of people's backgrounds and circumstances is appreciated and valued; a society in which similar life opportunities are available to all; and a society in which strong and positive relationships exist and continue to be developed in the workplace, in schools and in the wider community."
